Meiyappan. **In the film, Actor Nagesh stars as the title character.** Muthuraman and K. R. Vijaya play the other lead roles. ACTOR BIJESH

15

Bijesh is an Indian actor who is very lively (similar to his grandfather Actor Nagesh), and he keeps bursting and bubbling with excitement, happiness, bliss, and energy around the clock. The first time that the actor emoted feelings and uttered dialogues, and showed his acting abilities in a Tamil cinematic experience was in this movie.

The Specific connection towards this movie is that he is the grandson of the lead role “ACTOR NAGESH” in the old MOVIE “SERVER SUNDARAM” where Actor Nagesh has done the lead role. In this movie, the role of Bijesh is very critical and serves as a turning point for the entire movie.
